April 30, 2010 (the “First Interim Fee Period”).<sup>2</sup> K&E submits this First Interim Fee Application seeking allowance of interim compensation and reimbursement of expenses under section 330 and 331 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and Rule 2016-1 of the Local Rules of the United States Bankruptcy Court for the Eastern District of Virginia (the “Local Rules”). In support of the First Interim Fee Application, K&E respectfully states as follows:

### **Jurisdiction and Venue**

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).
2. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory bases for the relief requested herein are sections 330 and 331 of the Bankruptcy Code, Bankruptcy Rule 2016 and Local Rule 2016-1.

### **Background**

4. On February 24, 2010 (the “Petition Date”), Bear Island filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Bear Island continues to operate its business and manage its properties as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 3, 2010, pursuant to section 1102 of the Bankruptcy Code, the United States Trustee for the Eastern District of Virginia (the “U.S. Trustee”) appointed an official committee of unsecured creditors (the “Committee”) [Docket No. 90], which was reconstituted on April 6, 2010 [Docket No. 184].
5. Simultaneously with the commencement of this chapter 11 case, Bear Island’s indirect parent -- White Birch Paper Holding Company (“WB Holding”) -- and ten of WB Holding’s

<sup>2</sup> K&E has submitted an invoice to White Birch Paper Company, a non-debtor entity, for legal services unrelated to Bear Island’s chapter 11 case in the amount of \$31,046.50. K&E rendered such services during the First Interim Fee Period.

direct and indirect Canadian subsidiaries (collectively, the “CCAA Applicants,” and, together with Bear Island, the “WB Group”) sought relief under the *Companies’ Creditors Arrangement Act* (the “CCAA”) in the Quebec Superior Court of Justice in Montreal, Quebec, Canada (the “CCAA Cases”).<sup>3</sup> Contemporaneously therewith, six of the CCAA Applicants sought relief under chapter 15 of the Bankruptcy Code.<sup>4</sup> The chapter 15 cases are being jointly administered by this Court for procedural purposes under the following case caption: In re White Birch Paper Company, et al., No. 10-31234 (DOT). On March 26, 2010, the Court entered the *Order of Recognition of a Foreign Main Proceeding and Chapter 15 Relief Pursuant to Sections 1504, 1515, 1517 and 1520 of the Bankruptcy Code* [Docket No. 55] with respect to the Chapter 15 Debtors.

#### **Relief Requested**

6. By this First Interim Fee Application, K&E requests interim approval for (a) compensation in the amount of \$823,549.00 representing 100 percent of fees for services rendered by K&E during the Interim Fee Period, including the 15 percent previously held back during the First Interim Fee Period pursuant to the procedures set forth in the *Order Under Sections 105(a) and 331 of the Bankruptcy Code Establishing Procedures for Interim Compensation* dated March 25, 2010 [Docket No. 156] (the “Interim Compensation Order”) and (b) reimbursement of actual and necessary costs and expenses in the amount of \$26,803.34.

#### **Retention of and Continuing Disinterestedness of Kirkland & Ellis LLP**

No. 158] (the “Retention Order”), Bear Island retained K&E as its legal counsel effective as of the Petition Date in connection with its chapter 11 case and all related matters. The Retention Order authorizes the Debtor to compensate K&E under the procedures set forth in the Interim Compensation Order and in accordance with the procedures set forth in sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the *Guidelines for Reviewing Applications for Compensation & Reimbursement of Expenses filed under 11 U.S.C. § 330* (the “U.S. Trustee Guidelines”) and such other procedures as may be fixed by order of the Court.

8. Except as otherwise disclosed in the *Application for Entry of an Order Authorizing the Employment and Retention of Kirkland & Ellis LLP as Attorneys for the Debtor and Debtor in Possession Nunc Pro Tunc to the Petition Date*, dated March 10, 2010 [Docket No. 104] (the “K&E Retention Application”), the Declaration of Richard M. Cieri in Support of the K&E Retention Application attached thereto and the Supplemental Declaration of Richard M. Cieri in Support of the K&E Retention Application [Docket No. 301], to the best of its knowledge, K&E does not hold or represent any interest adverse to the Debtor or its estate and is a disinterested person as defined in section 101(14) of the Bankruptcy Code. Although K&E may have represented, may currently represent or in the future may represent parties in interest in connection with matters unrelated to the Debtor in this chapter 11 case, K&E has disclosed its connections to parties in interest that it has been able to ascertain using reasonable efforts. If K&E becomes aware of additional, material information in this regard, K&E will file a supplemental declaration with respect thereto.

9. Except as provided herein or in the K&E Retention Application, K&E has received no payment and no promises for payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with this chapter 11 case. In addition, pursuant to

Bankruptcy Rule 2016(b), K&E has not shared, nor has K&E agreed to share (a) any compensation it received or may receive with any person other than with the partners, counsel and associates of K&E or (b) any compensation that has been, or may be, received by any other person or party.

**Interim Compensation**

10. This is the first interim fee application submitted by K&E in this chapter 11 case. In accordance with the Interim Compensation Order, K&E previously served the following monthly fee statements (together, the “Monthly Fee Statements”) on the Debtor, co-counsel to the Debtor, the U.S. Trustee, counsel to the agent for the Debtor’s postpetition secured lenders and counsel to the Committee:

- a. Monthly Fee Statement for the period February 24, 2010 through March 31, 2010 (the “March Monthly Fee Statement”); and
- b. Monthly Fee Statement for the period April 1, 2010 through April 30, 2010 (the “April Monthly Fee Statement”).

11. As of the date hereof, K&E has received \$508,246.82 from the Debtor for fees and expenses incurred by K&E during the First Interim Fee Period. This represents 85 percent of fees and 100 percent of expenses incurred and submitted by K&E for the March Monthly Fee Statement. The deadline to object to the April Monthly Fee Statement is July 2, 2010. As of the date of this filing, K&E has not been paid for any fees or expenses set forth in the March or April Monthly Fee Statement.

**Reasonable and Necessary Services Rendered by Kirkland & Ellis LLP**

12. K&E has advised and represented the Debtor in connection with the operation of its business and all other matters arising in the performance of its duties as a debtor and debtor in possession, except those matters for which the Debtor has retained the law firm of Troutman Sanders

LLP or ordinary course professionals.<sup>5</sup> The rates described herein are K&E's hourly rates for services of this type provided during the First Interim Fee Period. Based on these rates and the services performed by each individual, the total reasonable value of such services rendered during the First Interim Fee Period is \$823,549.00. The K&E attorneys and paraprofessionals expended a total of 1,498.70 hours working on this chapter 11 case during the First Interim Fee Period. A summary, attached hereto as **Exhibit B**, provides the number of hours of service rendered by each attorney and paraprofessional and the hourly rate of each individual for services performed during the First Interim Fee Period.

13. In addition, the identity of the attorneys and paraprofessionals who rendered services in each category (each a "Subject Matter"), a description of each activity or service that each individual performed and the number of hours (in increments of one-tenth of an hour) spent by each individual providing the services is attached hereto as **Exhibit C**. The information in each invoice in the attached **Exhibit C** corresponds to the matter number that K&E has assigned to the Subject Matters. If a Subject Matter does not appear, K&E has not sought compensation or reimbursement for services rendered or expenses incurred for that Subject Matter during the First Interim Fee Period. K&E does, however, reserve the right to seek compensation or reimbursement for services rendered or expenses incurred for additional Subject Matters in the future.

14. Section 330(a)(3) of the Bankruptcy Code provides six factors a Court should consider when determining compensation allowed to K&E on account of services rendered to the Debtor's estate: (a) the time spent on such services; (b) the rates charged for such services; (c) whether the services were necessary to administer, or beneficial toward the completion of, the

chapter 11 case; (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance and nature of the problem, issue or task addressed; (e) whether K&E has demonstrated skill and experience in the field of bankruptcy; and (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than those brought under the Bankruptcy Code. *See* 11 U.S.C. § 330(a)(3); *see also In re Robinson*, 368 B.R. 492, 498 n.3 (Bankr. E.D. Va. 2007).

15. Additionally, courts within this circuit utilize the “lodestar” method, which applies various factors “to determine the attorney’s reasonable rate and the reasonable number of hours. After application of these factors, the product of reasonable hours and a reasonable rate constitutes the lodestar figure.” *In re Rothchild’s Jewelers, Inc.*, 337 B.R. 561, 568 (Bankr. E.D. Va. 2004) (Tice, J.). The Fourth Circuit has endorsed the use of the twelve factors set forth in the Fifth Circuit’s opinion in *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714, 717–19 (5th Cir. 1974), when determining the reasonableness of fees under the lodestar method. *See Boleman Law Firm, P.C. v. United States Tr.*, 355 B.R. 548, 553 (E.D. Va. 2006) (citing *Barber v. Kimbrell’s, Inc.*, 577 F.2d 216 (4th Cir. 1978)). These twelve factors are:

(1) the time and labor expended; (2) the novelty and difficulty of the questions raised; (3) the skill required to properly perform the legal services rendered; (4) the attorney’s opportunity costs in pressing the instant cases; (5) the customary fee for like work; (6) the attorney’s expectations at the outset of the cases; (7) the time limitations imposed by the client or circumstances; (8) the amount in controversy and the results obtained; (9) the experience, reputation and ability of the attorney; (10) the undesirability of the case within the legal community in which the suit arose; (11) the nature and length of the professional relationship between attorney and client; and (12) attorneys’ fees awards in similar cases.

16. As the Court is aware, and as described more fully herein, K&E has expended significant time, effort and resources to (i) assist the Debtor in its transition into this chapter 11 case while avoiding needless disruption to the Debtor's ongoing business, (ii) assist in the negotiation of, and obtain Court approval for, postpetition financing for the Debtor through a \$140 million debtor in possession facility (the "DIP Facility") and (iii) assist in the dual-track restructuring approach contemplated under the DIP Facility.

17. In accordance with the factors enumerated in section 330 of the Bankruptcy Code and the relevant case law, K&E believes the amount of fees requested is fair and reasonable given: (a) the complexity of this chapter 11 case; (b) the time expended; (c) the nature and extent of the services rendered; (d) the value of such services; and (e) the costs of comparable services in cases other than those under chapter 11 of the Bankruptcy Code. To the best of K&E's knowledge, this First Interim Fee Application complies with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the U.S. Trustee Guidelines and the Interim Compensation Order.

(Fees: \$294,123.50; Hours: 509.80)

Upon commencement of the chapter 11 case, negotiation and entry into the DIP Facility were the two most significant and complex workstreams for which K&E provided services. Not only does the DIP Facility provide the Debtor with a \$140 million term loan to continue its business and manage its operations while in chapter 11, but it also provides key milestones that establish the pace of this restructuring. Indeed, the DIP Facility outlines the Debtor's obligations under its dual-track reorganization, which require K&E and the Debtor to contemporaneously expend efforts towards a possible financial restructuring and sale of substantially all of the Debtor's assets. Moreover, K&E was heavily involved in responding to numerous objections filed in opposition to the DIP Facility, a majority of which K&E was able to resolve prior to the final hearing.<sup>6</sup>

More specifically, this Subject Matter includes time spent: (a) drafting, reviewing and revising the motion seeking Court approval for the Debtor's borrowing under the DIP Facility on an interim and final basis and of the Debtor's ability to use the cash collateral of its prepetition asset-backed lender on an interim basis (the "DIP Motion"); (b) preparing declarations in support of the relief requested in the DIP Motion; (c) negotiating the terms of the DIP Facility and drafting, reviewing and commenting on related credit, guaranty and collateral agreements and other

documents; (d) drafting, reviewing, and commenting on interim and final orders authorizing the Debtor to obtain postpetition credit under the DIP Facility; (e) preparing witnesses from the Debtor and its retained financial advisor to testify at hearings related to the DIP Facility; (f) preparing to close the DIP Facility and fully satisfy the Debtor's prepetition outstanding indebtedness under its ABL Revolving Facility; (g) conducting legal research on adequate protection and other issues pertinent to obtaining final approval of the DIP Motion; (h) reviewing, responding to and negotiating the resolution of objections to the DIP Motion raised by the Committee, the majority second lien lenders and Toronto-Dominion Bank; (i) preparing for hearings on the DIP Facility; and (j) performing tasks related to monitoring and ensuring compliance with covenants and other post-closing obligations of the Debtor under the DIP Facility.

(Fees: \$6,061.50; Hours: 9.90)

This Subject Matter includes time spent: (a) reviewing and responding to utility provider requests for adequate assurance; and (b) negotiating and drafting settlement agreements with respect to such adequate assurance requests.

31. Matter 21 - Travel

(Fees: \$26,166.00; Hours: 39.90)

This subject matter includes time that K&E attorneys spent traveling in connection with their representation of the Debtor. K&E billed the Debtor for one-half of the total time that K&E attorneys contributed towards non-working travel. As such, the amounts included in this First Interim Fee Application reflect a voluntary reduction of one-half the charges for travel time for a total reduction of \$24,110.00.

32. Matter 22 - Hearings

(Fees: \$57,657.00; Hours: 90.40)

Fees for services rendered by K&E attorneys and paraprofessionals concerning the substance underlying hearings held in this chapter 11 case were charged to the Subject Matter directly related to such substance (*e.g.*, services provided by K&E when preparing for hearings concerning the DIP Facility were charged to Matter 10 – DIP Financing, Cash Collateral). Accordingly, this Subject Matter only concerns time spent: (a) attending hearings; (b) preparing agendas, orders and binders related to such hearings; (c) settling orders before and after such hearings; and (d) engaging in related correspondence.

34. Matter 24 - Contracts, Leases Real Estate

(Fees: \$3,620.50; Hours: 7.90)

This Subject Matter describes legal services performed by K&E in connection with the assumption of certain executory contracts and leases, drafting a motion to extend the deadline to assume or reject executory contracts and unexpired leases and conducting research on related issues.

35. Matter 25 - Meeting of Creditors

(Fees: \$4,252.00; Hours: 6.00)

This Subject Matter includes time spent preparing for and attending a meeting of the creditors of the Debtor in accordance with section 341 of the Bankruptcy Code. This Subject Matter does not include correspondence with the Committee. Fees and expenses relating to such communications were charged to Matter 12 – Creditor, Shareholder Communications.

36. Matter 26 - Vendor and Shipper Issues

(Fees: \$9,619.50; Hours: 13.20)

This Subject Matter includes time spent: (a) corresponding with certain of the Debtor's vendors regarding the chapter 11 case and related issues; (b) assisting in the resolution of issues caused by certain of the Debtor's vendors; and (c) conducting legal analyses of certain vendor issues.

**Actual and Necessary Expenses**

37. A summary of the expenses incurred during the First Interim Fee Period for which reimbursement is sought is attached hereto as **Exhibit D**. These disbursements comprise the requested sum for K&E's out-of-pocket expenses, totaling \$26,803.34. K&E states as follows regarding these expenses:

38. The basis for these rates is K&E's calculation of the actual cost of these services, which are intended to cover K&E's direct operating costs and cannot be incorporated into K&E's hourly billing rates. Only clients who actually use services of the types set forth on **Exhibit D** are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

39. The time constraints imposed by the circumstances of this chapter 11 case required K&E attorneys and other employees to expend resources and perform legal services on behalf of the Debtor during evenings and on weekends. These extraordinary services were essential to meet deadlines, timely respond to daily inquiries from various creditors and other stakeholders, satisfy the demands of the Debtor's business and ensure the orderly administration of its estate. Consistent with K&E firm policy and as further disclosed in the K&E Retention Application, K&E attorneys and other employees who worked during such hours were reimbursed for their reasonable meal and

transportation costs. K&E's regular practice is to not include components for those charges in its overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of providing legal services.

40. In addition, due to the location of the Debtor's business, creditors and stakeholders in relation to K&E's offices, frequent multi-party telephone conferences were required, necessitating the use of telephone conferencing systems. On many occasions, overnight delivery of documents and other materials were required as a result of the exigencies and circumstances of this case. The disbursements for such services are not included in K&E's overhead for the purpose of setting billing rates and K&E has made every effort to minimize its disbursements in this case. The actual expenses incurred in providing professional services were necessary, reasonable and justified under the circumstances to serve the needs of the Debtor in this chapter 11 case.

41. Also, K&E regularly reduces its expenses, particularly expenses related to travel. With respect to airfare expenses, all travel by all individuals is billed at the coach class rate. With respect to hotel expenses, K&E has voluntarily capped all hotel charges incurred by each individual at \$300 per night.

### **Representations**

42. This is K&E's first interim fee application pursuant to the Interim Compensation Order, covering the First Interim Fee Period. Although every effort has been made to include all fees and expenses from the First Interim Fee Period in this First Interim Fee Application, some fees and expenses might not be included due to delays caused by accounting and processing procedures. K&E reserves the right to make further applications to the Court for allowance of fees and expenses not included herein. As to fees and expenses incurred after April 30, 2010, K&E will include such amounts in future monthly fee statements and interim fee applications.

**Compliance with the U.S. Trustee Guidelines and the Interim Compensation Order**

43. K&E has prepared this First Interim Fee Application in accordance with the U.S. Trustee Guidelines and the procedures set forth in the Interim Compensation Order. The total time spent by K&E during the period covered by this First Interim Fee Application was 1,498.70 hours, including 1,308.80 attorney hours and 189.80 paraprofessional hours, which represents fees of \$823,549.00. The blended average hourly rate for the services rendered is \$549.51. The average hourly rate for time spent by attorneys is \$595.37. K&E has incurred out-of-pocket expenses in the amount of \$26,803.34 and requests reimbursement thereof. A summary of out-of-pocket expenses and an itemized list of each disbursement made are included in **Exhibit D**.

44. The hourly rates and corresponding rate structure utilized by K&E in these restructuring cases are equivalent to the hourly rates and corresponding rate structure predominantly used by K&E for restructuring, workout, bankruptcy, insolvency and comparable matters and similar complex corporate, securities and litigation matters whether in court or otherwise, regardless of whether a fee application is required. The rates and rate structure reflect that such particular matters are typically national in scope and involve great complexity, high stakes and severe time pressures.

45. K&E's hourly rates are set at a level designed to fairly compensate K&E for the work of its attorneys and paraprofessionals and to cover routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

In light of the nature of the relief requested, the Debtor respectfully submits that no further notice is necessary.

**No Prior Request**

47. No prior application for the relief requested herein has been made to this or any other court.

WHEREFORE, for the reasons set forth herein, the Debtor respectfully requests that the Court enter an Order, substantially in the form attached hereto as **Exhibit A**, and grant such other and further relief as is just.
